FAQ

Q. Who can receive the Promotion and Bonus Booster incentive rewards?

A. This is a global incentive for all countries. All Independent Consultants are eligible to receive these rewards when they promote to these ranks for the first time and meet the qualification requirements. Independent Consultants will only be eligible to participate for new ranks that they have not achieved in the past. This incentive is for first-time promotions only. Note that Independent Consultants must achieve a minimum of 150 PQV during each month of qualification in order to receive these rewards.

Q. If I re-promote to a rank I previously held in the past, can I earn the Promotion and Bonus Booster incentive rewards?

A. No, this program is for first-time promotions only. For example, if a District Manager is reassigned to Independent Consultant rank, he or she cannot earn this incentive for the District Manager Promotion Booster or Bonus Booster. However, he or she will be eligible for the incentive upon promotion to Area Manager and above because he or she has not previously held this rank.

Q. How will I receive my Promotion Booster gifts?

A. After the reshuffle for Month 3, when you place a product order, you'll have the opportunity to add your gift to the order under the section, "Discounts and Special Offers."

Q. When I meet the qualifications for my rank Cash Bonus during my first 6 months at that rank, when will I receive the Bonus Booster amount?

A. You will receive this bonus for each month that you achieve the rank Cash Bonus during your first 6 months at that rank — that's up to 6 Bonus Booster cash payments! Bonus Booster amounts will be included in the commission/override payment for each month you qualified for the rank Cash Bonus. For example, if you promote to District Manager as of 1st February 2017, and then you qualify for the DM Cash bonus in March, you will receive your Bonus Booster in April, which is your payment for your March business.

Q. What happens to the Bonus Booster when I promote to another rank during my first 6 months as a District Manager, Area Manager or Regional Vice President?

A. When you promote to a new rank, you become eligible only for the Bonus Booster applicable to your NEW rank. Your previous rank Bonus Booster is no longer applicable, granting you 6 new months to earn the Bonus Booster at your new rank. For example: You promote to District Manager, and during your first 6 months as DM, you promote to Area Manager. You are now eligible to receive the \$250 Bonus Booster each month you qualify for the first 6 months after your AM promotion, in lieu of your previous DM reward.

Q. If I finish qualification to promote to another rank during my second month as a District Manager, Area Manager or Regional Vice President, will I still get the Promotion Booster and/or Bonus Booster reward(s) for my current level if I achieve them that month?

A. Yes. Your rewards are based on your title for the month you achieve the rewards, even if you promote as of the first of the following month. For example, if a District Manager promotes to Area Manager within their first two months of being District Manager, and they meet the qualifications for the Promotion Booster and Bonus Booster at the DM level, they will receive those rewards.

Q. Where are the details for achieving Qualification and Maintenance for the SuccessPlan ranks and rank Cash Bonuses?

A. All these details are provided in the SuccessPlan, located on The Source.

Q. Do the products that are awarded for earning the incentive have Qualifying Volume (QV)?

A. No.

Q. How can I track my progress for this incentive?

A. Log in to arbonne.com, go to My Office, and view your Qualifying Volume for promotion and rank Cash Bonuses on your dashboard. There is no separate tracker.

Q. How does this incentive work with the Strong Start and GrowStrong Programs?

A. The Strong Start and GrowStrong Programs ended as of 31st December 2016. The transition from those programs to the new incentive benefits will be as follows:

Strong Start Transition Program

Anyone with a Start Date in December 2016 may still opt in to the existing Strong Start Program by achieving 1,500 QV either in December 2016 or in January 2017 and they will finish out their Strong Start Program in 2017. They will automatically participate in this new program and can earn benefits under BOTH programs.

GrowStrong Transition Program

Anyone who is participating in GrowStrong as of the end of December will continue to finish their program. For example, if December is Month 1, then January is Month 2 and February is Month 3. No new participants will start GrowStrong beginning January 2017.

District Manager Promotions as of 1st January 2017

Those who promote to District Manager as of 1st January 2017 will be participating in GrowStrong. January will be Month 1, February will be Month 2, and March will be Month 3. They will automatically participate in the new program with their first goal being the Area Manager promotion.
